

# The **FHG** story

**SINCE 1962**, FHG has manufactured high quality doors, windows, and other wood components in the woodwork industry. From our modest beginnings in a small workshop in Fujian, China over four decades ago, we've grown into the industry leader in kitchen & bath products, including kitchen cabinetry, countertops, flooring, plywood, and tiles. Today, we are known for our dependability in product performance, competitive price, and on time delivery.

**IN 2006**, FHG opened its first factory outlet in Nashville, TN. Our exquisite showroom displays a broad array of kitchen and bath products, including cabinets, granite, hardwood flooring, tiles, and fixtures. The outlet also carries a storage / workshop space of more than 300,000 square feet to ensure timely assembly, delivery, and installation support.

WHETHER YOU ARE A HOMEOWNER CONSIDERING KITCHEN REMODELING, RESIDENTIAL OR COMMERCIAL CONSTRUCTOR BIDDING FOR A JOB OF ANY SIZE, OR HARDWARE DISTRIBUTOR EXPECTING DEPENDABLE SUPPLY, WE ARE CAPABLE AND DELIGHTED TO SATISFY YOUR NEEDS.

# GRANITE

THE MOST DURABLE COUNTERTOP MATERIAL. Every piece of granite is unique. The granite you buy today will look distinctive from the same color selection of granite purchased two or three years from now, even from the same quarry! When granite is mined from the earth in its natural form, it represents the earth's formation at that particular place, thousands of years ago...
